Confirmation Letter

This letter confirms arrangements for the financial economics course to be taught by Mykola Babiak in the spring semester (from March to May, 2015) at the Faculty of Mechanics and Mathematics of Ivan Franko National University of L'viv, Ukraine. The Department of Mathematical Economics and Econometrics will offer teaching opportunities including a cohort of around 50 bachelor students and study rooms for seminars and lectures.

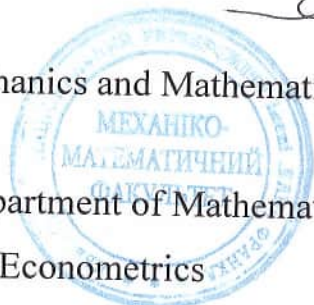

We look forward to meeting Mykola Babiak soon and to his participation in the academic life of the Faculty of Mechanics and Mathematics.
