Confirmation of the visit to Institute of Mathematics of the University of Warsaw

Dear Sir/Madam

This letter is to confirm that Dr Marta Maloid-Hliebova, of the Department of Algebra and Logic of Ivan Franko National University of Lviv, carried out a one week long internship at the Institute of Mathematics of the University of Warsaw in October 2019.

Dr. Maloid-Hliebova presented a talk at Algebra Seminar on the topic "The relationship between different types of spectrum of multiplication modules" and she talked about her research interests and results with the members of Algebra and Number Theory Department.

The visit was organized within the framework of the Staff Mobility Exchange Programme ERASMUS+ KA1.

Yours sincerely,

Jan Okniński

Mathematics Professor  
Head of the Department of Algebra and Number Theory
